MENTORING OPPORTUNITY IN MUSIC, REMINISCENCE AND DEMENTIA

Interested in community arts? Want to know more about working with adults living with dementia and how music and reminiscence can unlock memories in care homes and in the community?

Join one of these experienced musicians Deborah Rose, Heather Wastie or Tristan Pate and Museums Worcestershire as they deliver **Suitcase Stories 2**. Suitcase Stories 2 includes fortnightly reminiscence and music workshops with adults living with dementia and their carers in the community and also 5 weeks in care homes across Wyre Forest, Redditch and Bromsgrove and Wychavon districts. As well as monthly sessions in Bromsgrove.

This opportunity is suitable for music students, early career musicians or social work type students with skills in music. This opportunity is for 3 students and each student will commit to a 4 month period.
